

Rule 1015-1 Joint Administration of Cases

The Court may order joint administration of related cases pending in this Court without notice and an opportunity for hearing on a motion supported by an affidavit, declaration, or verification establishing that joint administration of the cases is warranted and will ease the administrative burden for the Court and the parties. A joint administration order entered under this Local Rule (i) is procedural only and does not substantively consolidate the debtors' estates and (ii) may be reconsidered on motion of a party in interest at any time.
